

AVENUE

Variant: WINE-GROWERS

Beware not to mix the harvests of different wine-growers!
You lose 10 points for every pair of wine-growers connected.

Score tracking area with a vertical stack of yellow and blue speech bubbles. Below the bubbles, a pink castle icon is connected to a blue speech bubble, and a green castle icon is connected to another blue speech bubble. Below these, two farmer icons are connected by a horizontal line, with a red '-10' score change below them. At the bottom, an equals sign is followed by an empty orange square.
